Horse allowance to Police Jamadars acting as Sub Inspectors or Inspectors and to Sub Inspectors acting as Inspectors in privilege leave vacancies.

From

The I. G. of Police in Mysore.

No. 3571-386 Dated 10-3-14 Received 12-3-14

Diary No. 12890	Enclos. 3	Spare Copies.	Serial No. 1

BRIEF ABSTRACT OF LETTER.

States that it has been the practice to allow Jamadars appointed to act as Sub Inspectors or Inspectors in privilege leave vacancies to draw half the h.a. of their acting appointments together with half the h.a. of their permanent appointments and that the Comptroller contends that such officers should draw only a moiety of the h.a. attached to the appointments in which they are acting & requests that the present practice may be allowed to continue.

NOTES AND ORDERS.

The I. G. represents that hitherto it has been the practice to allow a Jamadar appointed to act as a Sub Inspector or an Inspector in a privilege leave vacancy to draw half the h.a. of the Sub Inspector or Inspector as the case may be and

half the h.a of his permanent appointment. The Comptroller on the authority of the article 180 of the Imperial Service Regulations objects to such a course and contends that in such cases the officer can draw half of only the h.a. attached to the acting appointment. If the Comptroller's objection be valid, it would have the effect of depriving the men promoted, of a portion of the h.a. they were already getting. The I.G. therefore requests that the existing practice may be allowed to continue.

2) [The same holds good in the case of a Jamadar appointed to act as a Sub Inspector].

3) Article 180 of the M.S.R. applies to cases when both the absentee & the acting incumbent maintain horses. In the case of a Daffedar appointed to act as Jamadar (the latter takes away Rs 4 being half of the h.a. attached to his appointment. The former cannot take the balance of Rs 4 as he cannot maintain a horse with it. The I.G. therefore proposes that in such cases the balance of Rs 4 may be treated as bicycle allowance and given to the

acting incumbent. If this proposal be accepted Article 180 will have to be amended suitably.

4) Br II may be consulted as to whether the Comptroller's interpretation of the Rules in the matter is correct and if so what should be done to prevent the working of the Rules causing the hardship brought to notice by the I.G.

6) The question is whether the Comptroller's objection on the Acting Police Inspectors or Sub Inspectors drawing moieties of horse allowances attached to 2 appointments is correct.

7) Art 180 M.S.R permits horse allowance being equally divided between the permanent ~~incu~~ and officiating incumbents provided that both of them maintain horses during the privilege leave period of the former. But this rule by itself is not a sufficient authority for the creation of a practice allowing plural allowances of the same kind

which is financially objectionable.

8) Comptroller's objection is based partly on Art 98, Mad which refers mainly to salary + not to allowances. There is no definite ruling in Mad regarding the grant of ~~grass~~ to one holder of combined appointments either in the same office or in different offices, of horse allowances attached to such appointments.

9) Regarding the continuance of the practice in question, the Inspector General of Police advocates it on administrative grounds and states that it is essential to in the interest of efficient work to allow the acting Police Inspectors during the privilege leave period of the permanent incumbent, moiety of horse allowances attached to two appointments and to treat the moiety left to the other acting officer below as a bicycle allowance.

10) Art 180 applies not only to Police officers but also to Forest or Excise officers, Tank Inspectors, Shekdars, Sanitary Inspectors of all classes. With a view to securing uniformity of practice, it is essential to know how the rule in question is worked out in these Depts

or what other practice obtains there.

11) Regarding the items placed under objection they may be sanctioned as a special case.

12) If instead of creation of an unauthorised practice, Inspector General of Police had proposed for the modification of the existing rules the matter could earlier have been considered on merits.

13) The D.G. P's proposal regarding the grant of a moiety of the horse allowance of a ~~Daffedar's~~ Jamedar's place in addition to a moiety of the H.A. of an Insp^r when the former acts in a Private Leave Vacancy of the latter is reasonable & may be regularised by a suitable alteration of article 180 M.S.R. - In such cases ~~so long~~ the main point ~~is~~ that Extra Cost ~~is~~ Shewed not be involved and the arrangement proposed by the D.G. does not violate this important condition - Grant of half the allowances ~~of Each~~ attached to Each of two appointments when a person is off in a higher post is not an uncommon ~~deco~~ rule - [~~Vide~~ See cf. article 115 (a) C.S.R.].

To

K.R. Sreenivasiengar Esquire, M.A.,
Secretary to the Government of His
Highness the Maharaja of Mysore,
General and Revenue Departments.

Sir,

I have the honor to forward herewith copies of the marginally noted Objection Slips from the Comptroller, and to state that whenever Inspectors and Sub-Inspectors go on privilege leave, the practice hitherto has been to allow the acting incumbents who are generally Jamedars, to draw, in cases where both the absentee and the acting officer maintain horses, the moiety of horse allowances attached to both the offices. The acting officer would thus draw Rs.7-8-0 plus Rs.4-0-0. The Comptroller has, however, quite recently taken objection to the practice and disallowed the horse allowances drawn according to the prevailing practice, on the ground that the acting Inspectors are entitled only to a moiety of the horse allowance attached to their acting appointment under Article 180 of the Mysore Service Regulations.

1. No.T.A.M./68 dated 18-9-1912 to the Deputy Commissioner, Chitaldrug.
2. No.693 dated 24-8-1912 to the Deputy Commissioner, Tumkur.
3. No.5646/T.A.M.1041 dated 28-2-1913 to the Inspector General of Police in Mysore.
4. No.T.A.M.51 dated 16-4-1913 to the Superintendent of Police, French Rocks.

(9

2. The terms "the horse allowance will be equally divided between the two officers provided that each maintains a horse" do not prohibit the acting officer from drawing in addition any part of the horse allowance attached to his permanent office. The effect of the Comptroller's interpretation would be that when a Sub-Inspector or Jamedar who draws a horse allowance of Rs.12 or Rs.8 respectively acts as an Inspector with greater responsibilities and wider areas to itinerate, he would have to draw a horse allowance of only Rs.7-8-0, which seems to be inconsistent with the intentions of the application of the Article.

3. I, therefore, request that you may be so good as to obtain the sanction of Government to allow the present practice of long series of years to continue.

4. In this connection, I have also to solicit the orders of Government to treat the moiety of the horse allowance of an acting Jamedar which is only Rs.4 as a bicycle allowance, in as much as the acting Jamedar who is only a permanent Duffedar can hardly afford or be expected to maintain a horse on Rs.4/-

5. I may also add that the arrangements suggested herein do not involve any extra cost to Government.

I have the honor to be,

Sir,

Your most obedient servant,

Lakshmanan
